"Christmas At The Temple" tells the story about the bedrock on which Evangelistic Temple Assemblies of God Church is built...the story of salvation. For ninety years, Evangelistic Temple or ET as the church is fondly called, has been a beacon of light, shining bright, proclaiming the Gospel of Jesus Christ.

Unwavering in their resolve, Evangelistic Temple's leaders, members and followers have been committed to sharing the Word of God within and outside the walls of the assembly. All of Heaven bore witness as the ET church family carried out the mandate of Jesus Christ to go into all the world and preach the gospel.

In this production, the most wonderful story ever told comes to life as two angels, Zadkiel and Evangeline, bridge the gap between Heaven and Earth guiding listeners through the changing scenes leading up to the night when Christ was born. These moments of both heavenly grandeur and earthly simplicity climax with the presentation of the gospel and a call to follow Jesus in six different languages, aptly representing the unique, melting pot of culture that now exists at Evangelistic Temple.

2025 Christmas

Scene 1

THE PROMISE OF SALVATION: FULFILLING THE MANDATE

Two angels dialogue about the promise of salvation to mankind. Evangelistic Temple is heralded for its ninetieth year of service witnessing to lost souls and equipping the saints of God.

Scene 2

THE ANGELS OF CHRISTMAS

Angels describe the effects of the cruel reign of Herod, the silence of God, political strife, and the introduction of pagan religions as the chosen people of God wait for the arrival of the Messiah. The story of the first Christmas unfolds as the angel, Gabriel visits Mary. She and Joseph travel to Bethlehem and shepherds learn that the Messiah is born.

Scene 3

SHEPHERDS WORSHIP THE MESSIAH

Shepherds leave the field and go to the stable where the Messiah was born and they worship him. An angel explains that everyone – men, women and children – is welcomed to the Saviour.

Scene 4

A WILLING SACRIFICE

The angels tell of Jesus' willingness to be a sacrifice for mankind and his choice to come from the glorious splendor of heaven to the simplicity of earth.

Scene 5

WORSHIP AND SALVATION

While the shepherds leave the stable, the angels explain how Jesus was first worshipped through temple sacrifices and how he came to earth and made the way for humans to worship and adore him directly.

Scene 6

THE REASON THAT HE CAME

Angels present the notion of what the world would have been like if Christ had not come to redeem mankind. The heavenly host join the angels in glorious praise to the Lamb of God who came and is coming again. A preacher shares the gospel as the two angels and the heavenly host watch and listen with excitement and rejoicing. People of different nationalities invite others to receive the salvation of the Saviour, Jesus Christ.
