CLASS DESCRIPTIONS

***French Immersion Note:** All classes have two teachers, one who speaks English to the children and one who speaks French to the children. Skills and content are instructed in both languages. This model of language immersion is ideal for young children to not only gain second language skills, but also open neural pathways for divergent thinking as they develop into young problem-solvers.

Penguin & Puffin Toddler Classes

Designed for children ages 2-3 years old, this class is an introduction to being part of a social group. Activities focus on social skills (i.e. learning to be away from mom/dad, sharing, taking turns, communicating needs, interacting peacefully with peers), basic self-efficacy skills (i.e. cleaning up, putting on a coat, opening/closing containers), and fine and gross motor development. The daily schedule includes a circle/story time, art and sensory play, active play, snack and lunch, and lots of time for play and exploration. Children attend a weekly Music class and Chapel Time.

Parents can choose from a 2-day (Tu/Th), 3-day (M/W/F), or 5-day (M-F) schedule for this class. All days are 9:30 am – 1:30 pm.

Manatee Three's Class

Designed for children ages 3-4 years old, this class continues a focus on gaining social skills while adding an academic component that is developmentally appropriate. We use the *Handwriting Without Tears* curriculum to introduce letter recognition and early writing skills. Pre-math skills are taught through fun sorting, counting, patterning and calendar activities. Skills and content are integrated through imaginative play activities and hands-on learning stations. The daily schedule includes a circle/story time, art and sensory play, active play, snack and lunch, and lots of time for and exploration. Children attend a weekly Music class and Chapel Time.

This class meets 4 days (Tues, Wed, Thu, Fri), 9:30 am – 1:30 pm.

Llama Multi-Age Class

Designed for children ages 3-5 years old, this class offers flexibility for student and family needs. Children are instructed at their level of development and academic readiness, using many of the same components of the Manatee and Panda classes. The multi-age environment encourages social skills, strong self-confidence and leadership skills alongside individualized academic instruction. Children can attend this class for one year or two consecutive years, giving parents and children the opportunity to maintain a familiar teacher and class over the preschool years for optimal growth and development. Upon graduating this class, children will be well prepared for their next steps.

This class meets 5 days (Mon-Fri), 9:30 am – 1:30 pm.

Panda Pre-K Class

Designed for children ages 4-5 years old, this class continues to offer a play-based program while increasing academic exposure. We continue to use the *Handwriting Without Tears* curriculum to develop early writing skills. Additionally, students begin associating letters with sounds and putting sounds together to make simple words. Pre-math skills continue to be taught, while increasing the challenge with problem-solving activities. Skills and content are integrated through imaginative play activities and hands-on learning stations. As the year progresses, students are encouraged to accept more responsibility in the classroom, both for maintaining focus on their own work/play as well as for functioning together as a group. The daily schedule includes a circle/story time, art, sensory play, active play, snack and lunch, and lots of time for exploration. Children attend a weekly Music class and Chapel Time.

This class meets 5 days (Mon – Fri), 9:30 am – 1:30 pm.
