FROM PASTOR KELLI

"I love helping people explore their faith and see God at work in their lives. We are all called to be a part of God's work; I am called to Word and Sacrament, and with that, to build community, share God's love, and encourage people to care for each other."

FROM YOUR CALL COMMITTEE

"Earlier this winter, we got the chance to hear Pastor Kelli preach. Afterwards, I knew that she was the candidate I wanted our church to call. Her sermon used context that all people of any age could understand, and she was able to connect it to her own life and everyone else's." - Morgan Becker, Middle School Representative

"She's awesome. I think she will fit in very well at Mount Calvary and I think we should choose her!" - Henry Buck, High School Representative

"I was impressed with Pastor Kelli Weiss. She has a very warm and welcoming presence. Kelli is very motivated to do God's work and has a likable personality that shines in a large space like worship or a small group." - Chris Slania

"Pastor Kelli is very personable. She speaks fondly about people in her prior congregations. She was pleased to see that we had included two students as part of the committee. Each time we got together, Kelli inquired as to how we were with a sincere interest and I enjoyed her sincerity and her great sense of humor." - Lynn Hedblum

"I am excited about Pastor Kelli's leadership. She is early enough in her career that she will bring energy, fresh ideas and productive curiosity to Mt. Calvary; and yet, after two calls as a youth and family pastor and a solo pastor, she brings deep experience: a large church, a small church, healing, tragedy, building community, impactful service, multi-generational relationships and so much more." - Jean Taylor

"Throughout the call process it came through clearly that Pastor Kelli is passionate and excited about joining and serving our congregational community and I'm confident that she will be a great addition to our MCLC family." - Rebecca Gierok

"I can't wait to see how well Pastor Tom and Pastor Kelli work together. I think their personalities and ministry styles will blend well as they continue to help each other grow and connect with the congregation. I am excited by how much Pastor Tom is excited!" - Lauren Millikan, Church Council Representative

"Pastor Kelli shows talent and experience in creating and leading change - from thoughtful workshop experiences to empowering families to grow in faith together. We are excited for her to help lead us forward" - Jeremy Bierlein, Transition Task Force Representative
