

Hope for Haiti January 2012 Newsletter

About a year ago a team from Tennessee visited Marcel and a couple of the mountain churches and schools. At Bataille a promise was made that when a trail was built from there to the mountain top, 5 cows would be provided for the community. As of yesterday this became a reality. The trail is all complete with the exception of a bridge, which was not part of the original plan.

Photo's of this journey really tell the story of God's faithfulness.

A few weeks ago Marcel journeyed to Lepinard for perform a wedding. Please pray for Pastor Norberne there, and some medical issues he has.

In process and due to arrive soon is a sound system to refresh what's at Bois Neuf. A family donated the transportation to Haiti and a church the new system. With the many conferences held there this should really help.

January 31st a team will arrive to spend a week with Marcel. Planning to do some upgrades at his home. There will also be the opportunity to share the gospel using a truck mounted screen and projector very close to his home. Lift this up if you would. "Jesus is my hope" from Billy Graham and it's in Creole.

Wander through the website for additional information. Consider sponsoring a child if you've read this far, it's not only a blessing to them but to you also.
