Other items your group may consider to contribute towards, or ship to Haiti.

Fall 2012 Donated!! 11kw or larger diesel generator new 4 wheeler – to help carry supplies to remote areas new 250cc dirt/street bike to replace 185cc Honda

Please, do not bring anything that you would not purchase for yourself. New items are preferred but not always necessary if the lightly used item/s is in good shape.

If you would like to mail letters to Haiti please contact us for the correct address. Letters are fine to Marcel's address but packages are **very** expensive on his end. He pays a custom fee for any and every package and in almost all cases it's more than the value of what is sent. **DO NOT** send checks or cash!

*** items are always needed**
