"Healing is a Fact"

Divine Healing belongs to us.

We aren't waiting for God to heal us; God is waiting for us to take the healing that's already ours. God wanted us healed so much that He didn't just promise to heal us; He sent His Son to purchase our healing with His broken body. Therefore, healing is not just a promise—it is a fact!

Years ago, I looked at healing as a promise. Then one day, I read, "Who His own self bare our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes you were healed." (1 Peter 2:24) He didn't say you may be healed or you will be healed. He said, "You were healed"—past tense. It isn't what God is going to do; it's what He's already done. The day I found that Scripture in the Bible, it turned my life around.

Healing is a fact. As far as God is concerned, His part is done. Now He's waiting for us to do our part—to reach out and take what is already ours.

CONFESSION: I want what the Word says is min and nothing less. I want God's best, and that includes healing for my body. By faith, I reach out and take the healing that is already mine.

Prophetic Insight

Johnny Enlow had an amazing vision. He first saw an immense blue wave coming in and he instantly heard that it was a

"50 feet wave". He then saw a figure in yellow that was surfing and coming in on that wave. He knew that it was the Lord. As he looked to His face he saw eyes of burning fire. He knew the fire in His eyes was love. The Lord was within the coming wave but he was then able to see the crest of the wave itself. Myriads and myriads of angels were coming on the wave. He then saw the wave crash onto Los Angeles and he knew everything was about to change with this invasion as the blue water crashed in and seemed to go everywhere. Interpretation:

He believes a massive wave of the Holy Spirit is about to break upon us. Blue is the color of revelation and also represents the work of the Holy Spirit. 50 is the number for Jubilee. Pentecost was also 50 days after Passover and so this number is connected inextricable to an outpouring of the Holy Spirit. The color yellow we have associated with God as Creator. The Lord is dressed in yellow because He is coming in as the Creative One. He is coming into Los Angeles. He is coming in with millions of angels. The City of Angeles is going to experience its namesake.

He believes something very powerful is about to come upon us and the first part of it is on us. The blue wave is already beginning to splash on us as prophetic revelation, visions, dreams, and encounters have skyrocketed just since the turn of the year.

There is some timing and connection as well with the Azusa Now event schedule here at Los Angeles Coliseum for April 9. A stadium that hold 110,000 is going to be filled with believers....signs and wonders will break out. Pray for revival in Los Angeles. [Copy from ElijahList]

“Joshua: My Spirit is in him”

(Numbers 27:18)

“So the Lord said to Moses, “Take Joshua son of Nun, because My Spirit is in him.” (NCV)

1. Read the story in Exodus 17:8-16:

- Joshua was first mentioned in v. 9.
- Joshua was the true soldier for the Lord and he fought the good fight of faith as Caleb was. (1 Tim. 6:12, 2 Tim. 2:3)
- “Amalek” means “a people that exhaust, a strangler of the people”.
- “Rephidim” means “to spread out”.
- “Israel” means “he will be a prince with God, he strives with God, God ruled man, one that prevails with God”.
- “Moses” means “to draw out”.
- “Hur” [Moses’ brother-in-law] means “a hole, cavern, noble, splendor, white”.
- “Aaron” means “a shining light, light, a mountain of strength, enlightened, to be high”.
- “Joshua” [same as Jesus/Yeshua] means “the salvation of the Lord, the Lord saves”.

2. Recently Patricia King prophesied in Elijahlist newsletter [Feb. 4, 2016]: She saw one approach with a key called **HOPE**. The angel smiled and said, “This key will not give you entrance into the room but you can wait here in the corridor [hallway] outside the room. Stay close to the door.” Another came with a key called **DESPERATION**. Again, the angel said, “This will not permit you to enter.” Yet another came with a key called **EXPECTATION**. The angel communicated, “You are very close. Remain here at my side.”

- “**HOPE**” refers to Moses, when he held his hands up, the Israelites would win the fight.
- “**DESPERATION**” refers to Hur, when Moses put his hands down, the Amalekites would win. Later, when Moses’ arms became **TIRED**.
- “**EXPECTATION**” refers to Aaron, the men put a large rock under Moses, and he sat on it. Then Aaron and Hur held up Moses’

hands—Aaron on one side and Hur on the other. They kept his hands STEADY until the sun went down.

3. Many others came with various keys but **NONE** of them were able to open the door. The corridor [hallway] was full of people waiting and longing to enter the room. One approached the angel showing the key called _____ . The angel's face lit up and proclaimed, "This is the key that will open the door". And the door opened.

- So Joshua defeated the Amalekites in this battle.
- Then Moses built an altar and named it "the Lord is my **BANNER**."

4. Read Exodus 33:7-11.

- Moses took the tabernacle and set it up outside the camp, some distance away.
- The tabernacle called "the tabernacle of congregation" or "the tent of meeting".
- Anyone who **SOUGHT** the Lord would go to the tent of meeting outside of the camp.
- It went like this: when Moses would go to the tabernacle, all the people would stand at **ATTENTION**; each man/woman would take their position at the entrance to their tent with their eyes on Moses until he entered the tabernacle. Whenever Moses entered the tabernacle, the Pillar of Cloud [God's Glory—Holy Spirit—His presence] descended to the entrance to the Tabernacle and God spoke with Moses. All the people would see the Pillar of Cloud at the entrance to the tabernacle, stand at **ATTENTION**, and then bow down in **WORSHIP**, each man and woman at the entrance to their tent.
- God spoke with Moses _____ to _____, as man speaks to his friend. And Moses would return to the camp, his servant Joshua, the son of Nun [means 'continuation'], a young man, stayed—he didn't leave the tabernacle.

5. Patricia King said, "The room was full of light, glory, beauty, and the essence of a holy fire. The atmosphere was pure love, holiness, and joy. Everyone who had previously stood waiting in the corridor [hallway] were now **IMMERSED** in the glory of the room called _____ ."

6. The Lord's voice spoke: "I am taking you to new levels."

- Eric prophesied, 'Lord said, "**I will do great things in people's lives**".'
- Erin prophesied, 'Lord said, "**I will transform them if they are willing to allow Me to transform them**".' Today, Eric prophesy, "Lord says.."
