What is a **CIRCLE?**

A circle is a group of people that opens their doors to friends, neighbors and family. They laugh, cry, encourage and lift each other up. There's no better feeling than to know that there is someone who genuinely cares about you. These are the kinds of friendships you will find in a circle.

We were not meant to live life alone. We all long to be loved and accepted for who we are without feeling judged or looked down on. Our hope is that you would find someone to share life with that will make you a better person. And as you grow in your relationship with God and others, you will discover the abundant life that God has planned for you.
