

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With Your Kids

THIS WEEK'S LESSON: MAKE S'MORES

IN THE CAR:

Ask your child what they learned about this week on the drive home:

No camping trip would be complete without fixing up s'mores. They really hit the empty spot in our bellies. When it comes to filling the empty spot in our hearts, Jesus is the bread of life that makes us complete. John 6:25-40, Jesus the Bread of Life.

HANGING OUT:

Make this week's lesson real:

Share a slice of bread with the kids, and talk to them about having a relationship with Jesus. What is it like being able to pray to God and commune with him through his Holy Spirit?

AT DINNER:

Here are some great discussion starters:

- What bread did Jesus say we need?
- What makes the bread of life different from regular bread?
- How can we receive, and share, the bread of life?

AT BEDTIME:

Quiz your child on this week's memory verse:

"God began a good work in you. And I am sure that he will carry it on until it is completed. That will be on the day Christ Jesus returns." - Philippians 1:6 (NIRV)

PARENT TIME:

What you need to know:

Talk with your kids this week about what it means to give your life to Jesus. If you sense they are ready to make a decision for Christ, walk through that decision with them. If you like, you can make an appointment with one of the children's ministry leaders to discuss with your child what that means. There is no more important decision they can make!
