

MAKE IT STICK

4 Simple Ways You Can Make This Lesson Stick With your Kids

Thankfulness Lesson 1

THIS WEEK'S LESSON: THANK YOU FOR MAKING ME

IN THE CAR:

As you're driving, look for things that God made...plants, clouds, animals, and people!

HANGING OUT:

Have a talent show. Take turns doing something 'cool' to show the rest of your family. Remind your child that God has given us each gifts to use.

AT DINNER:

Before you eat your meals, ask God to help you obey the plans he has for you.

AT BEDTIME:

Cuddle up with your little ones and read Jeremiah 1:5 together. Talk about how even before God formed your child, he had great plans for them.
