

MAKE IT STICK

BOOKS OF THE BIBLE LESSON 2

4 SIMPLE WAYS
YOU CAN MAKE
THIS LESSON STICK
WITH YOUR KIDS

THIS WEEK'S LESSON:

IN THE CAR:

As you're driving, talk about what your child learned at church this week. As you're driving, point out the things that God made (sky, trees, landscape, etc.). Remind your child that God created everything. We learn that in Genesis.

PLAYING:

Use a Children's Bible, pick out a story to read together from one of the first five books of the Bible. Creation, Noah, Abraham, and Moses are just a few examples.

EATING:

Before you eat your meals, thank God for giving us the Bible that we can learn from.

SNUGGLING:

Cuddle up with your little ones and read Genesis 17:7. Talk about how God's promise to Abraham is a promise for us, too. God has good plans to take care of us.
