

MAKE IT STICK

BOOKS OF THE BIBLE LESSON 11

4 SIMPLE WAYS
YOU CAN MAKE
THIS LESSON STICK
WITH YOUR KIDS

THIS WEEK'S LESSON:

IN THE CAR:

As you drive, have your child point out pretty things they see. Then talk about how heaven will be more beautiful than you can imagine.

PLAYING:

Draw pictures together. Encourage your child to draw a picture of a place they would like to go. Have a conversation about how Christians get to go to heaven someday.

EATING:

Before you eat your meals, ask God to help you to stay faithful for your whole life.

SNUGGLING:

Cuddle up with your little ones and read Revelation 21:1 together. Talk about how God is preparing heaven for us and what you imagine it to be like.
