Hook

Gotta be a Man about it
Can't let emotions get the best of you
Be a Man about it
The family don't move til you move
Gotta be a Man about it
That means you do what you say you gon do
Be yourself, remain in truth
When they see you they see the proof

Got to be a Man about it
Be a Man about it
Messed up so what
Be a Man about it
Never give up
Be a Man about it

Verse 1

Gotta have faith, can't be nervous
Gotta be patient and urgent
Gotta back flip thru this circus
Cause clowns they stay out here working
Gotta stay motivated
You ain't a kid no more
That's over baby
Gotta put in overtime
Like a tied score
Gotta see it even with a blindfold
You don't get a girl pregnant and get low
You just pray everyday for a lot more
Then you go and get it
Behind a locked door
Or get it out the mouth of a locked jaw
He wouldn't give you anything that you can't handle
So crossover /go behind the back
Avoid the trap
Rewind this track, playback
It a be your map if you get lost
I've been sent to teach you
Sent to reach
Sent to bleach your mind of all the lies
That man is tough and he never cries
And you ain't a man until you take a life
And I don't care if it's wrong or right- in they eyes
Stick within your core
And you'll see more
Of who you really are
And turn into a special Man from that little boy

Hook

Gotta be a Man about it
Can't let emotions get the best of you
Be a Man about it
The family don't move til you move
Gotta be a Man about it
That means you do what you say you gon do
Be yourself, remain in truth
When they see you they see the proof

Got to be a Man about it
Be a Man about it
Messed up so what
Be a Man about it
Never give up
Be a Man about it

Verse 2

Everything in life is a test or celebration
But don't celebrate more then you work
Ten toes when I touched the dirt
And I'll be on them 10 when I leave this earth
Always keep the family first
Gotta provide for them
Gotta ride for them - like Uber
Always keep learning
But life gonna be the best tutor
Walk in a room let your presence be felt
Know when you need somebody's help
Know how to check yourself
And have fun but check your health
Know when to apologize
Integrity - Be the bigger man
No matter how tall you stand, much you weigh
Make your day about getting paid
And make somebody smile today
