

Gifts and Talents
(Get song at elevateyourgame.org)

I am fearfully and wonderfully made
I am created for a special purpose
I am created to achieve great things in this world

Hook

Everybody born with a gift, uh huh
Don't matter if you poor or rich, uh huh
Its yours, you can do what you wish, uh huh
But the world needs your gift today
Everybody born with talent, I say
Gotta use it, gotta take advantage, I say
Pay your dues and focus on your best, I say
Cause the world needs your gift today

Verse 1

Sitting around not doing a thing
You scared to fail or you scared to dream
Maybe it's both
Gotta walk that road
Cause you persevere and you never know
I mean the way it goes
Is you love it to death
Think about it all the time
And your mind is obsessed
Give it all that you got
Always show it respect
And in return it will give you success

Hook

Everybody born with a gift, uh huh
Don't matter if you poor or rich, uh huh
Its yours, you can do what you wish, uh huh
But the world needs your gift today
Everybody born with talent, I say
Gotta use it, gotta take advantage, I say
Pay your dues and focus on your best, I say
Cause the world needs your gift today

Verse 2

You fell down once
You fell down twice
Brush that off
You gonna be alright
Gotta learn from those for the next time
Keep your heart strong and your head high
I know you started on an incline
That's designed
To make you realize
Nothing's easy gotta work for it
Sweat and tears you gotta hurt for it

Hook

Everybody born with a gift, uh huh
Don't matter if you poor or rich, uh huh
Its yours, you can do what you wish, uh huh
But the world needs your gift today
Everybody born with talent, I say
Gotta use it, gotta take advantage, I say
Pay your dues and focus on your best, I say
Cause the world needs your gift today

Verse 3

Can't stop, can't quit
Whatever you start you gotta finish
Relentless, commitment
You gotta stick to the vision
Consistent with practice
Its not whose the fastest
It's a marathon, at your own pace
Just concentrate on your own race

-----**Hook**-----

Therefore, I will think big, speak big
And live to achieve great things
I will think big, speak big
And live to achieve great things
