**Verse 1**

You been at for years  
I know the feeling  
It's like every time you jump,  
Hit your head on the ceiling  
And every time you fail in your heart you can feel it  
The pain and the heartache  
Not to count all the hours that it all takes  
Given it all to something and it all breaks...down  
But if you stay there  
Then you won't reach those clouds  
Once you believe then you kill that doubt  
Feel like wow, all I needed was patience  
Even when they was hating  
And they ain't want you to make it  
Came from bottom  
But the top the goal  
So every obstacle you just  
Pick and roll, bump and run  
They just bumping gums  
Don't lose the passion  
Don't lose the fun  
Life is what you make it and it's only one  
So if you live it to the fullest  
Persevere til you're done and

**Hook**

Never quit, never quit  
Never quit, never quit  
Cause if you want it, You got it  
Never quit no never quit  
Cause if you want it, You got it  
Never quit no never quit  
Cause if you want it, You got it  
Never quit no never quit  
Cause if you want it, You got it  
Don't let nobody stop it...nooooo

**Verse 2**

I remember I cried over it  
Pray to the sky for it  
Up every night for it  
Knew I would ride for it  
Even though I wish it was quicker  
Never would give up  
Picture my daughter with a daddy  
Here as a quitter  
Nah, daddy a spitter  
Prophet with words  
Here to encourage  
Speak life and watch them flourish  
How could I give up on that, give up on rap  
Give up on music, got too much influence  
God gives his challenges  
To those that can handle it  
Reality and fantasy it's hard to balance it  
When your dreams are bigger than the average  
And the things you want you gotta have them  
But they just don't appear like magic  
In your heart you gotta will it to happen  
Never stopping, never getting distracted  
You wanted it so badly given up would be tragic

**Hook**

Never quit, never quit  
Never quit, never quit  
Cause if you want it, You got it  
Never quit no never quit  
Cause if you want it, You got it  
Never quit no never quit  
Cause if you want it, You got it  
Don't let nobody stop it...nooooo
