(Get song at SoundCloud – EYG Music or [elevateyourgame.org](http://elevateyourgame.org))

**Hook:**

I'm so Grateful, Grateful.  
Ups and downs I remain thankful.  
Why stress. Why stress.  
Even at my worst. I'm so blessed.

**Verse 1 (The Complaint):**

Digging in my pockets  
In my wallet like I dropped it.  
Looking in my closet  
Kinda mad cause I don't got it  
Hopping on the train ain't the same like driving  
I complain I complain I complain  
I'm the pilot

**Verse 2 (The Response: Don't Complain):**

You might not have the best  
But you are the best  
And once you learn that  
You done moved from checkers to chess  
Head high with your chest up  
Cause you blessed up  
Like you sneezed a hundred times on the school  
bus

**Hook:**

So Grateful, man I'm so Grateful.  
Even through my up and downs I remain thankful.  
Why stress. Why stress.  
Even at my worst. I'm so blessed.

**Verse 3:**

No matter what happened yesterday  
I'm waking up to new air  
A blessing  
Cause I know people dead whose time is  
Through here  
Plus you got school here- a luxury  
Some countries don't even got the budget  
So there's no books for the kids to read  
Your parents and guardians  
You should always hold.  
If you got them in your life it's gold  
Please don't be sold  
On materialistic happiness  
It's not a magic trick  
You got to practice it  
Thankfulness - an adjective

**Hook:**

So Grateful, man I'm so Grateful.  
Even through my up and downs I remain thankful.  
Why stress. Why stress.  
Even at my worst. I'm so blessed.

You gotta realize what you got  
I'm sure it's more than someone else.  
And if you feel you by yourself  
I know that He is here to help you.

So blessed, so blessed, so blessed, cause you so  
blessed, you so blessed, you so blessed, you so  
blessed, you so blessed

I'm so Grateful, man I'm so Grateful.  
Even through my up and downs I remain thankful.  
Why stress. Why stress.  
Even at my worst. I'm so blessed.
