

Words Are Powerful
(Get song at elevateyourgame.org)

Hook

Beware of the company you keep
And the words that they speak
When they round you
Beware of the thoughts in your head
Negativity can spread and surround you
Words are powerful
Yeah, words are powerful
They can build you up
Or they can damage you

Verse 1

Speaking life into my body everyday
Optimistic about the things that's in my way
Speaking love to the ones that's full of hate
See my future I can tell you that it's great
Don't stress out or lose sleep about it
It's easy to be weak about it
Talk down like you nervous, ain't worth it
When you think about it
Nah, man think positive
Open your mouth, talk positive
Live your life real positive
That's how you get the most of it

Hook

Beware of the company you keep
And the words that they speak
When they round you
Beware of the thoughts in your head
Negativity can spread and surround you
Words are powerful
Yeah, words are powerful
They can build you up
Or they can damage you

Verse 2

Everyday you only striving for the best
Tell yourself you're number one and nothing less
Block out everything that person ever said
To keep you grounded and go flying off the ledge
Just spread your wings and accomplish things
Knock out fear like it's a boxing ring
Self-doubt can be a toxic thing
Encouragement is all you need
Got to talk like a King and Queen
Got to write out all your dreams
They look at you, deja vu
You making moves and doing your thing.

Hook

Beware of the company you keep
And the words that they speak
When they round you
Beware of the thoughts in your head
Negativity can spread and surround you
Words are powerful
Yeah, words are powerful
They can build you up
Or they can damage you

Watch what you say
Watch what you hear
Watch what you think
Watch what you fear
