

The Ministry Insight Tool (MIT) is provided by Interim Pastor Ministries to help a church evaluate their ministry in the self-study process during a time of transition. As we anticipate the 2nd Stage of IPM's process to strengthen our church this is one of several tools we will use to help us clarify reality. The survey, which takes about 25 minutes to complete, is an opportunity for you to take an extensive look into various aspects of our church's ministry.

Everyone who is part of our church family is invited to take the survey. The MIT will be available for three weeks beginning Sunday, Jan. 18th. **It will close at midnight on Monday, Feb. 9th.**

Follow this link to take the survey online – this is the preferred method:

Paper copies are available for those who cannot complete the survey online and must be returned to the designated spot by Sunday, Feb. 8. Whenever possible, please complete the Ministry Insight Tool online using a smartphone, tablet, or computer. To access it on a mobile device, scan the QR code with your camera.

If you have questions, please contact Pastor Jeff MacLurg.
