Dropping Off Your Child

Please remove your child's outerwear and boots. Fill out the Information Slip, available at the Nursery Information Station. Present the completed Information Slip to the Worker stationed at the Nursery Door. Please do not come into the nursery or linger at the door. If a situation arises that requires parental attention, a Nursery Worker will ask an Usher to find you in the location indicated on the completed Information Slip.

Picking Up Your Child

Please pick up your child in a timely fashion after the Service ends.

Because we are trying to provide secure child care, we will not release children to anyone but parents, guardians or parent approved siblings above the age of twelve (12). The numbered stub from the information must be presented in order for a Nursery Worker to release a child.

Please Do Not Bring Sick Children to the Nursery!

Signs of Illness:

- Unusual fatigue or irritability
- Coughing, sneezing, runny nose or eyes
- Fever
- Rashes
- Vomiting and/or diarrhea
- Inflamed mouth and/or throat

If your child has been exposed to a contagious illness, please be especially suspicious of the symptoms listed above. A child who is not feeling well is best kept at home. Also, if your child becomes ill during a service, you will be asked to come and remove him/her from the nursery.

Nursery 1: Newborn – 18 months

Nursery 2: 18 months – 36 months

Nursery 3: 3 years

*Nurseries 2 & 3 are combined for Sunday Evening Service and Wednesday Night Prayer Meeting.

Our Nursery Ministry exists to provide a safe and caring environment for the children of our church family and visitors. If you have specific concerns regarding the safety of your children please contact either of our Nursery Supervisors, Jane Burrill or Ann Smith.
