DRESS CODE

To assist us in running a camp that is Christian in appearance, not just in name, we have a dress code which we follow. We know our dress code is not the final word on modesty. However, in order to avoid conflict and tension, we ask that all campers follow the dress code while at camp.

All shorts should reach the knee when standing. Pants and jeans are permitted, providing they are loose fitting. Leggings are not permitted as pants. We also ask that the shirt you are wearing cover your midsection when sitting or standing. Sleeveless shirts are not permitted. During swim time, swimming trunks and a t-shirt are required. Our camp staff reserve the right to ask any camper to change their attire if deemed inappropriate.
