

# Drop off and pick up times!

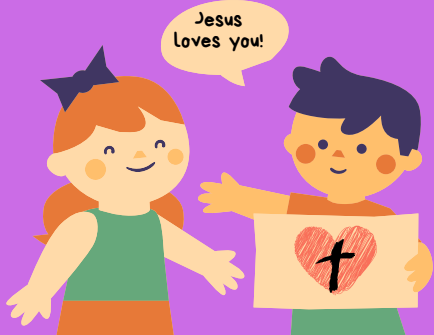

9:15: Drop off in the church for worship

9:30: Teachers walk students to classrooms for class

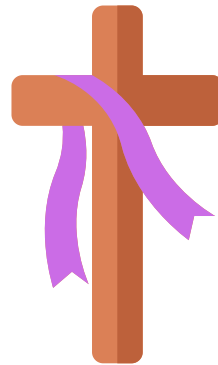

10:15: Parents pick up students at school playground

At Grace Sunday School, your child's safety is important to us. All of our Sunday School teachers and support staff have completed a background check. In addition, preschool and elementary grade classes have an additional aide.

Students will be monitored on the playground until they are picked up by parents. Please pick up your child no later than 10:30.

"Let the children come to me; do not hinder them, for to such belongs the kingdom of God."  
-Mark 10:14b
