EVANGELICAL MISSION

January 2025

***"Behold, I am coming soon, bringing my reward with me, to repay each one for what he has done."
- Revelation 22:12***

Our Polish Brothers and Sisters continue in advancing the gospel in the cities where God planted them.

At the beginning of November, Tomasz Chylka and Andrzej Karzelek held a graduation celebration for a 4th gathering of Mission's School. The theme of this training is derivative from Ephesians 4:12 *"to EQUIP the Saints for the work of ministry, for building up the body of Christ."* Students who successfully completed the course were pastors, youth leaders and Sunday school teachers from several surrounding churches in the area. The 5th seminar of this School's workshop will begin in mid-January, so prayer is needed for God to raise another group of leaders hungry to learn and receive, then go and do the work fully equipped.

Tomasz Chylka's Church in Pszczyna also is in the midst of preparing their annual Evangelistic outreach via the Christmas Service. Every year they have a pretty good turn out and many come to watch, listen and receive the Gospel message. After the program they're able to give out Bibles and other Christian literature, which is gladly received. This year's highlight is the kids program. May the Lord touch the hearts of those who will be watching the presentation and hearing the message.

Jaroslav Siech

This month PEM would like to honor Jaroslav Siech and the team. Jaroslav's wife Monika, has battled many major health issues including surgeries with complications. However, despite this present opposition, they courageously pressed on with the Gospel of Christ.

They travel to nearby villages to organize and set up a Historical Bible Display in City Halls, thereby opening it up to the public for them to hear and see the legitimacy of the Word of God, while at the same time they hear about its Author.

This group is also presenting the Gospel through theatrical presentations, in local city squares and parks, making it easy, fun and accessible to all, one of them being "the Passion."

They have also held several KIDZ CLUBS throughout summer, reaching kids through one week experience - similar to us organizing VBS, except in public areas and parks.

Right now, they're in the middle of producing and preparing performances titled "Christmas Story" and "Christmas Surprise" for children.

Let us pray and consider how we can partner with such brave and courageous brothers and sisters across the Atlantic Ocean.

"Let us spur one another on, toward Love and Good deeds."

- Hebrews 10:24

Thank you for partnering with PEM financially in action and in prayer. May the Peace of Christ's love be with you this season and always.

Please pray for Poland often!
