EVANGELICAL MISSION

April 2025

Mission "GO"

"Go into all the world and preach the gospel to every creature" (Mark 16:15).

Andrzej Karzelek and Jastrzębie-Zdrój Church have established a missionary organization called "GO."

This ministry focuses on creating, publishing and distributing materials in the form of a Bible magazine. It's socially relatable and culturally relevant. It's written very honestly and openly. One of the most popular testimonies is about a man who used to burn Bibles and now, being radically changed, helps to distribute them, so that every household has literature with the Gospel message.

"But how can they call on him in whom they have not believed? And how can they believe in him of whom they have not heard? And how can they hear unless there is one who preaches?" (Romans 10:14-15).

"GO" was able to produce 22 different magazines and reproduce it to 44.000, sending them off to churches all over Poland. They would like to continue with printing these as they seem to be very popular across many social groups.

Contact us if you'd like to partner with this type of evangelistic outreach!

Andrzej and his team also have an urgent need to repair electricity issues in one of their buildings that they own. Resolve was immediate and there were plenty of helping hands willing to assist. Your prayers and support are much needed and welcome.
