## EVANGELICAL MISSION

May 2025

### Christ IS RISEN indeed! Hallelujah!

We are so excited to share some photos and pass on a great report, that **Daniel Cichocki** had a wonderful visit to Minnesota, and other areas, for about five weeks. Every place he was invited to, he had a great time catching up. He shared from the word of God, and brought fresh updates on Camp Eden (main building needs a new roof) and the Bible school he's directing.

There were also lots of visits with friends, and fellow Poles from Minneapolis. Reminiscing went long into many nights.

His biggest ongoing "cry of his heart" was to increase support in **PRAYER**.

The thing they struggle with the most is the same issue that Jesus mentions in Luke 10:2 (NIV).

*"The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."*

We need to stand in prayer with them and for them, that they would have more devoted harvest workers.

If you'd like to help with the new roof, please note "Camp Eden roof" with your donation.

# A special, urgent PRAYER REQUEST also came in from Tomasz Chyłka from Pszczyna.

They are having a wonderful **issue**: they have OUTGROWN their provided space.

Over the past years the Lord has added believers to their congregation to almost 100%. They chose to renovate in 2024 and add onto the existing building which provided extra needed space...for a while... but they have now filled that space as well.

Polish people are hungry for the gospel, and they respond well to every invitation. They just baptized many in recent months. God is on the **MOVE**. For the past two years they have been keeping an eye on a property where they could build a new building, but that continues to be delayed, via regulations and laws.

In the meantime a **NEW OPPORTUNITY** presented itself. A private kindergarten building is looking to sell, but with what they have on hand and what would come in from selling their current building, they are short \$513,000, which is roughly half the cost. It's in the central location of the city - which is excellent. It comes with lots of modern accommodations and with extra space to grow into! The price looks astronomical and intimidating - but they have peace about it, they are stewarding deep trust in the Lord, as well as asking others for prayer, seeking wisdom, clarity and partnership.

Let's join in and watch a miracle happen! If you'd like to help with this purchase, please note "Pszczyna" with your donation.

Thank you,  
PEM
