## EVANGELICAL MISSION

July 2026

### Camp Eden:

### Preparing the Fields for a Record Summer

As we approach the start of the summer season on **June 28th**, the activity at **Camp Eden (Oćwieka)** is at a fever pitch. With **seven camps scheduled** - including special outreaches for foster children, orphans, and children of incarcerated individuals - Dorota and Daniel are preparing to welcome more campers than ever before.

*"Therefore, my beloved brethren, be steadfast and immovable, always abounding in the work of the Lord, remembering that your labor is not in vain in the Lord."* **1 Corinthians 15:58**

The winter season was particularly brutal to the facility, leaving a trail of burst pipes, broken doors, and winter storm debris. The team is currently in the "all-hands-on-deck" phase: cleaning, repairing, and readying the grounds for hundreds of children who are hungry for the Gospel.

#### Urgent Practical Needs

- **The Roof Debt:** Incredible progress has been made, but **\$20,000 remains** to fully pay off the life-saving roof repairs completed earlier this year.
- **Kitchen Efficiency:** The cooking staff is working to the point of exhaustion. An **electric meat tenderizer (~\$6,000)** is urgently needed to streamline food prep for hundreds of campers.
- **Fire Safety:** To stay compliant with legal requirements and keep the camp open, Oćwieka must construct a mandated fire escape route.

While the work at the camp is heavy, the physical burden on **Daniel** has become a significant prayer point. He has been undergoing a series of medical tests, including a colonoscopy, gastroscopy, and upcoming CT scans. The preliminary results have not been encouraging, and he has been experiencing severe dizziness while working on-site.

**Please join us in fervent prayer for:**

- **Total Healing:** For clear answers from the doctors and a supernatural touch of healing on Daniel's body.
- **Renewal:** For Daniel and Dorota to receive physical and spiritual restoration as they navigate these medical trials alongside the demands of the ministry.
- **Wisdom:** For God to guide the medical team and give Daniel peace as he balances his health with the heavy responsibilities of the camp.

The first camp begins in just days (June 28th). Your support is the lifeline that allows these children to hear the Gospel in a place of safety and love.

- **Will you help us cross the finish line?**
- Whether you can contribute toward the **\$20,000 roof balance** or help fund the **kitchen equipment**, your generosity is an investment in the spiritual future of these kids.
- **Let's Connect:** Are you interested in hearing a live update? **Dwayne and Kasha** are available to share these stories with your church or small group. We would also love to talk to anyone interested in joining a future mission team.

**The harvest is ready, and the stakes are high. Thank you for standing with Daniel, Dorota, and the ministry at Camp Eden.**

Pastor Slawek Foks will be joining us in the U.S. this Fall. We have one Sunday open when he could visit your church, October 4. If you're interested, please contact Dwayne at [info@polandem.org](mailto:info@polandem.org) or cell 320-492-8622.

***Please pray for Poland often!***
