Ruptawa: From an Old Barn to a Nationwide Movement

Pastor Andrzej Karzelek and the team in Ruptawa are seeing God multiply every seed sown. What began years ago with a simple burden to turn an old barn into a Christian center has grown into a powerhouse of youth camps, a 15-year-old Bible School (co-directed with Tomasz Chyłka), and a thriving publishing house.

"Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain." — 1 Corinthians 15:58

The Word is Spreading Across Poland

- **The "Bible for Jastrzębie" Miracle:** After receiving 22,000 copies of the Scriptures from an Austrian mission last year, the team has watched them fly off the shelves. During one single event in Jastrzębie, nearly **900 Bibles were distributed in just 8 hours!**
- **50+ Distribution Hubs:** This momentum sparked a national network, establishing over 50 local Bible distribution depots across Poland.
- **Printed Testimonies:** The publishing ministry has printed and distributed **85,000 personal testimonies** of people delivered from addictions, equipping churches nationwide for street evangelism.
- **Media & Church Plants:** The *Kech Ruptawa* YouTube channel has surpassed **3,000 subscribers**, and a brand-new church plant in Jaworzno recently celebrated its first **5 baptisms**.

Urgent Needs at the Center

With summer in full swing, the Ruptawa center is bustling with family vacation retreats. But looking ahead to the colder months, two major practical needs must be met:

- **A 9-Passenger Van:** Essential for transporting people, youth, and heavy outreach materials to evangelism events across the region.
- **A New Heating Boiler:** A reliable central heating system is urgently needed for the youth and ministry center before winter arrives.

A Call to Stand with Our Sister

Beyond the ministry operations, Pastor Andrzej shares a heavy burden for a faithful sister in their congregation. Abandoned by her husband a decade ago, she was left with massive, life-altering debts. Despite working two jobs daily from 6:00 AM to 10:00 PM just to survive - with only an old car left to her name - she remains fiercely dedicated to the church. The community is actively collecting funds to lift this crushing financial burden off her shoulders.

How You Can Pray & Support

- **Pray:** Lift up the ongoing distribution of Bibles, the growth of the new plant in Jaworzno, and the provision for the van and heating boiler.
- **Give:** Your partnership makes these multi-faceted ministries possible. Whether helping a faithful sister find financial freedom or funding the infrastructure in Ruptawa, your gift is an eternal investment.
