EVANGELICAL MISSION

Fueling a Movement

"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have." 1 Peter 3:15

This Month, we'd like to highlight **Andrzej Karzelek**, who has spent decades dedicated to a single mission: getting the Word of God into every hand in Poland. Through God's grace, he prints and distributes Bibles and study materials in LARGE numbers.

He has also currently established 27 storage locations across the country, to house these materials, having a trained facilitator that manages, distributes and delivers into the hands of those who ask for it. This allows churches, pastors, and small groups to easily access resources whenever they need them—all for free.

Andrzej and his team also host vibrant street outreaches. After weeks of personal invitations, they draw crowds with live music, activities for kids, and personal testimonies. Tables overflow with free materials, and volunteers stay to answer questions and pray with people long after the events

end. They also are equipping local churches to take care of new believers.

This movement is growing fast, but it needs a van to keep going. A van would allow them to comfortably distribute materials, eliminating the need to borrow a vehicle. It would also be a lifeline for their kids' camps,

transporting children to and from events.

Consider prayerfully how **YOU CAN HELP!**
The Gospel is moving forward!
