## Steadfast Ministry in Poland 🇵🇱

This month, we spotlight the impactful ministry of **Pastor Cezary Komisarz**, who provides us with a clear view of life and labor on the ground.

### Outreach Through Tents

Cezary's summer **tent ministries** were a massive success!

They own and operate three tents. He and his team set up a large one at **POLAND ROCK**, the country's biggest annual summer festival, drawing nearly a million attendees. This year is their second year there, and they were requested to be there. This tent is a **vital place of solace and coffee-like respite**—especially popular with bikers. Here, the ministry distributed **over 1,000 Bibles and Christian materials** and shared countless moments of prayer and fellowship.

The two smaller tents were instrumental in summer as well, in running two half-day weekly **Bible camps for kids** in partnership with local churches. These smaller tents are currently being repaired and readied for next year's outreaches.

### The Critical Burden of Food Distribution

The scale of their humanitarian work is immense: so far this year, the ministry has distributed **over 20 tons of fruit, vegetables, and meat**, an equivalent value of **half a million zloty**—a truly significant ministry of compassion.

The logistics for this are exhausting. The daily routine of picking up food from multiple varied locations is a heavy, tiresome burden. Often, Cezary and his wife go out separately to pick up bread at the bakery and other goods from different locations, with one arriving back just as the other is leaving.

🙏 : Please lift up Pastor Cezary and his wife as this routine is tiresome, and the warfare is heavy. Pray for their **physical and spiritual endurance, protection, and refreshment** as they literally carry this ministry forward.

## A Breakthrough for Transportation

After many months of dedicated prayer—and with our help—Cezary is hoping to regain support from the city for their high transportation costs. He recently had a productive meeting with the **deputy mayor** and submitted a proposed project for the city to collaborate on. He feels it will have a positive outcome. Regaining the help from the city with costs for this **daily pick-up of various foods** would be an enormous relief.

🙏 : Please pray for a **positive outcome** from the city government regarding the proposed project with the deputy mayor, ensuring they regain the necessary help to cover transportation costs.

## Personal Request: Pray for Andrea

Cezary's wife, Andrea, is facing serious health challenges. She has **neuro/heart-related issues**. In order to update her heart defibrillator, they just learned that the older model currently within her would have to be deactivated and replaced with a newer one, all just to conduct further health tests. Everything in the healthcare system is progressing slowly.

🙏 : Please pray for **healing and provision** for Andrea. Pray for **speed and clarity** in the healthcare process, that the procedures go smoothly, and that she and Cezary are filled with God's peace during this anxious time.

In the face of these burdens, Cezary is reminded of why they do what they do.... He says, "**All this is worth it!**" when during the distribution and ONE sinner gives his life to Jesus. That's what propels him forward. Yet God has been gracious with them, and they have had many sweet moments in their congregation, experiencing spiritual growth, and dedicating little ones to the Lord. Pictured is Cezary along with the oldest member, while dedicating her **Great-grandbaby** to the Lord!
