

MERRY CHRISTMAS FROM POLAND EVANGELICAL MISSION

Dear Friend,

For all who have been born from above, **do you remember the first time you realized when God had made you “just-as-if-you-had-never-sinned”**; that is, when your faith in Christ made you pure and clean before God, and gave you a relationship with him? Justification by faith. That’s the term the Bible uses for it. It is a bedrock biblical truth. It results in eternal life. Millions have experienced this. It is also true that millions still wait to be told of it.

For nearly ten years PEM has come alongside Polish Christian leaders to help them in their efforts of letting their countrymen know what it means to be justified by faith. We do this in three ways:

1. By financially helping them so they can be free to lead and equip others in making disciples.
2. By praying for them as well, that their work would be done in the power and persuasion of the Spirit.
3. By literally working at their side through work teams and mission trips.

Why do we do it? Because in Poland those who believe in this great biblical truth are a significant minority, and they need our help. And it is to these kind of situations that God calls us as believers.

And do you know what? It is working! God is using our efforts! **Adults, youth and children are finding Christ; discovering that they can know him, and experiencing new life through him.** (See the pictures below.)

At some level, and at some time, you became a part of the PEM family by investing your prayer, finances and (for some), your labor as well. **I am writing you on behalf of the board to thank you for what you have done. We now know there will be others in heaven because of your involvement!** Knowing this will make your Christmas even more merry!

I also am asking you if you would consider a generous (even sacrificial) year end gift so we can be better set for the opportunities our Polish Christian workers will encounter in this next year. **The goal is to free more of them up to give themselves to the task to which God has called them.**

Thank you for doing what God calls you to do, and have a Christ filled Christmas!
