

POLAND

EVANGELICAL MISSION

June 2019

D-DAY

75 years ago this month.

It was the mother of all invasions, designed to free Europe and all the world from German mayhem and tyranny.

The Poles fought and flew right alongside other Allied military personnel.

In fact, they were our number four ally in World War Two. Polish soldiers that were able to escape Poland, after it fell to German aggression, made their way to England and formed the 1st Polish Armored Division. Likewise, Polish fighter pilots came to be highly regarded for their skills, flying for the RAF.

Six years of war, followed by over 40 years of Communism, made for a slow recovery for Poland economically. As things have improved financially over the last decade or so, one result has been a growing bent toward materialism, especially amongst younger generations.

Please pray for a widespread spiritual awakening within the present day population in Poland.

Sharing the gospel in Szczytnica.

Yet another outreach journey is scheduled to Szczytnica by the church in Jastrzębie-Ruptawa on the 28th-30th of this month. Szczytnica is the city that started out life as a Soviet missile base.

After the Russians left Poland, it was inhabited by civilians.

On the last visit, outreach efforts were met by some open hostility, but some people showed sincere interest in hearing the gospel.

Christian literature is available to all who are interested.

A family-friendly environment is apparent to all.

Please pray for protection and divine empowerment for the team as they travel and share Christ.

*Meanwhile, back in
Jastrzębie-Ruptawa,
a work project awaits their return.*

Progress is being made on the new staircase addition.
If you would like to help financially, you may send your contribution
to PEM, designated: Andrzej Karzelek - building project.

Please pray for the safe and swift completion of this project, and for God to use it for His glory.
