Anticipation...2016

*It's a new year! What can we look forward to in Polish ministry in the months to come?
We can look forward to:*

Polish Christians, like Piotr, know the value of being faithful in intercession.

Some new things for which to pray.

There will be many things we will ask you to bring before God.

This will be the most important thing you can do for PEM. Prayer does not just fit us for the task of ministry, prayer is the task of ministry. Everything else we do is merely the result of having prayed.

When we pray, we shape the future according to God's will. It is extremely important to God's kingdom plans for this world.

Jesus said we should always pray and never give up (Luke 18:1).

As is stated every month in our newsletter, "Please pray for Poland often!"

Pastor and camp director, Jan Tomczyk, has witnessed the power of intercession.

Some new opportunities to which to give.

When people give to PEM they often designate their giving, or give to the General Fund. Both are important. Here's why:

- Designated funds go to wherever they are designated.
- Money given to the General Fund goes to Poland to be distributed by the Polish leadership to needy pastors and ministries, at their discretion.

We encourage you not only to designate your giving, but also to give to the General Fund.

Thanks to your faithful giving, new bathroom facilities are now under construction at the camp in Jastrzbie-Ruptawa. This improvement will not only make things more comfortable for present campers, but also allow the camp to house more guests.

In the coming months we will be introducing some new areas to which you can designate your giving, in addition to giving to the General Fund. Your faithfulness in giving will help affect greater ministry results in Poland.

Thank you for what you do to make ministry happen there!

Some new areas in which to serve.

Camps

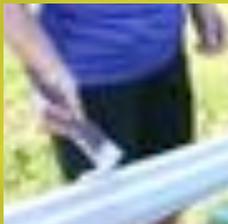

They aren't new in terms of age, but they are brand new in terms of opportunity. For years we have invited English-speaking people to work at summer camps. Because each one has a different mix of people attending, each is a new opportunity to share in fellowship and/or evangelism. Is there a Polish camping experience in your future? Should you decide to go, God can make good use of your participation. We know this from experience. Give us a call (612-987-1176) and let's talk about possibilities.

Whether it be working with children (L), youth (C), or families (R), camp is a wonderful place to share your influence, and benefit from all that goes on there.
