

POLAND

EVANGELICAL MISSION

December 2024

THANK YOU!

Through your generosity and involvement we have been successfully collaborating and supporting several ministries and their key leaders all over Poland. THANK YOU. PEM is providing them with resources to propel the work of the Gospel, whether it is a repair of the roof or expanding and updating the camps or training facilities.

The workers we're supporting continue to ask God for direction as well as for Him to provide more harvest workers, for the harvest is plentiful and ready to be harvested. They tirelessly build or renovate buildings to gather together, launch training courses, and they organize and lead outreaches.

The next generation is responding well, and beginning to run this race that the Lord has marked before them! We must continue to cheer them on, and pray for these ministries and their leaders.

"Let us not get tired and weary of doing good." 2 Thess. 3:13.

Some of these key leaders are forced, through circumstances, to find a side job or two in order to support their own family, while

staying faithful to their pastoral calling for their congregation. Their life expenses are as high as ours in the U.S, yet their income is 1/3 of what the average U.S citizen makes. They choose to live frugally on purpose, gladly counting this as a cost worthy of what Jesus did for us.

"The hardworking farmers should be the first to enjoy the fruit of their labor." 2 Tim. 2:6.

Following are a few highlights from them:

Slawek Folks is hosting a National Apologetics Conference in Warsaw, on Nov 30th, all tickets sold! And people from all over Poland will be driving in to be a part of this gathering.

Daniel & Dorota Cichocki are rejoicing over the BIG work the Lord has done over the 6 different camps they hosted this past summer. They were able to serve over 700 people: children, youth and adults. Many gave their life to Christ, as they participated in a variety of offered activities during camps, like Bible study meetings, small groups and worship.

They're especially glad to host about 80 Ukrainian young people and to build relationships with them.

They also direct the Church Growth Institute in four different locations throughout the country. These Bible Seminar Classes meet locally and focus on discipleship, sharpening one another, discovering spiritual gifts as well as getting involved in Christian ministry.

Andrzej Karzelek and his team have done a couple of street evangelistic outreaches throughout the summer, which resulted in baptisms at the end of the season. And now they get to grow and do life with the new-born believers.

Cezary Komisarz is currently in transition and is training up and investing a lot of time into a chosen candidate for his own replacement as a senior Pastor for their congregation. He and his wife are heavily involved and supporting their local community, through various outreaches. The next Big Event will be the Christmas Eve Dinner coming on Dec. 22nd, with dinner, gifts and the Gospel — they're expecting 100 or more people!

**May you have a
Blessed
Christmas
as we celebrate
our Savior's
birth!**

Please pray for Poland often!
