

Poland Evangelical Mission

December 2013

Thank you for being a part of what God is doing in Poland!

Merry Christmas

Here are a couple of good New Year revolutions!

The two ideas below can prove to be revolutionary to ministry efforts at home and in Poland.

1. Develop a special relationship with a Polish pastor.

This can be done by a church or even a Christian business. We call it a Strategic Partnership. It's when a group:

- a) takes on a major portion of a Polish pastor's monthly salary while his church is developing,
- b) sends a work team at least every two or three years to help with his ministry initiatives, and
- c) brings the Polish pastor to their church every three years so he can stretch their vision for ministry at home and abroad.

The value of such a relationship.

Tomasz Chylka (L) was going to have to go to pastoring part-time, supplementing his income by driving truck, when Calvary Community Church, Brea, CA, (R) formed a Strategic Partnership with him.

The time he has been able to give full-time to ministry has allowed his church to flourish, and they are working on planting another church in a larger city nearby.

In addition, Calvary Church plans to send a team to work with them next summer.

2. Help start a micro-business that benefits Polish ministry.

The idea is to produce a product or provide a service, either here or in Poland, that will create jobs and a revenue stream which can be used to help fund Polish ministry.

If you have a background in business (or know someone who does) and could bring expertise to such an undertaking, please contact us for more information about this opportunity.

*And he will be called
Wonderful Counselor, Mighty God,
Everlasting Father, Prince of Peace.

Please pray for Poland often!
