Policy for Aid to Bible College Students

North Bullitt Christian Church gives the opportunity for financial assistance to members who are enrolling in Bible Colleges and Seminaries of Christian Churches and Churches of Christ. This is offered as an encouragement to members of the Church who have intentions of entering full time Christian service. Money will be granted on an annual basis and distributed on a semester basis. The following criteria must be met for consideration for this assistance:

1. Application must be submitted to the committee chairman on or before the last Sunday of June each year.
2. Each student must be interviewed and approved by elders annually. This process benefits both parties. It allows the elders to maintain contact with future Timothies and be aware of their personal and spiritual needs. It allows the student to express future aspirations and maintain accountability to the local Church body.
3. Each student must meet certain academic standards to be eligible for full financial assistance. These standards are as follows:

Must be eligible to attend.

Students not maintaining these standards will not be eligible for full assistance. A copy of grades will be required at the end of each school year.

4. Each student will be required to be a part of a Church related work four times a year. This can be fulfilled in a located ministry. A report should be submitted to the chairman of this committee if this requirement is not fulfilled at North Bullitt Christian Church.

Financial assistance will be given in the form of a grant in aid, therefore the above criteria must be met to insure eligibility.

- * Currently our College assistance fund is \$600 per year. If there are multiple students attending and approved, the money will be divided equally between the students.
