

I WILL MAKE THEM HAPPY IN MY HOUSE OF PRAYER

VeSimachtim beBeyt Tefillati (Isaiah 56:7)

Congregation Yeshuat Tsion 12/24/2025

“*Adonai* our L-rd, how excellent is Your Name over all the earth! You set Your splendor above the heavens. Out of the mouths of babies and toddlers You established power, because of Your enemies, to silence the foe and the avenger. When I consider Your heavens, the work of Your fingers, the moon and the stars, which You established— what is man, that You are mindful of him? And the son of man, that You care for him? Yet You made him a little lower than the angels, and crowned him with glory and majesty!” (Psalm 8:2-6[1-5])

BARUCH HA SHEM (B.H.S. - PRAISE)

Praise *Adonai* for our Rabbi. We thank our G-d for equipping and supplying all for David so he can shepherd us with His love.

Praise to Yeshua for our Torah Service. May the Spirit continue to anoint the liturgy and those who serve in it.

PRAYERS FOR HEALING, COMFORT, AND FAVOR

Sheri Aspinall-Martinez's father, James Aspinall, went home to be with our L-rd. May his memory be a blessing. Please pray for Sheri as she is making the arrangements and please pray for the grieving family members. He will be sorely missed.

Please continue to pray for Nancy D. She is running a fever of 100. She's concerned that she is not getting better but may have an infection. May Yeshua heal and give shalom to Nancy and Jeff. May He provide knowledge and understanding behind the high fever.

Please pray for Israel to courageously take action to fulfill its unfinished tasks during its fight against terror.

Please pray for protection for the Jewish people as acts of antisemitism continue to rise worldwide.

We continue to ask for the L-rd's protection and provision for all involved in the Ukraine and Russia conflict, especially for the loved ones of those in our mishpachah who are involved or have family in harm's way. Please pray for the end of this war.

PRAYERS FOR OUTREACH

May the L-rd continue to establish our congregation as a light in the neighborhood, with our presence online, and beyond our local community. May G-d's strategy to equip us be fulfilled and may all the honor and glory be His.

PRAYERS FOR CYT'S OWN HOME BASE

Please pray for wisdom and favor to move forward with the overall care, operation, and management of our synagogue building. Please pray G-d's blessing on the congregational volunteers who faithfully maintain the building.

May G-d use this space for His work in and through our congregation.

PRAYERS FOR EVENTS

Please pray for the special Erev Shabbat Dinner time on Friday January 9th at 6PM. May we be blessed with this time of common fellowship as we break bread together to enter the Shabbat. May the Spirit guide all the moving parts and may this time truly be a reflection of Yeshua.

Please pray for our Yom Yeshua Celebration on Shabbat, January 10th. From the worship and message to the fellowship may we have joy as we celebrate Yeshua's first coming and look with expectation to His return as King over all the earth.

Please pray for the upcoming new year and the congregational observances and celebrations that it will bring.

VISION

May Yeshua continue to show us the understanding of *chesed*. All of us need *chesed* (grace) to learn what it is, how we get it, and how we share it. May Yeshua teach us to be conduits of this important covenant value.

Please continue to pray that G-d's vision of Israel would be in our hearts and minds. That G-d would reveal Himself to those who are seeking Him. May G-d give all of us divine appointments with those who need to know Yeshua as their Messiah. May every believer understand G-d's place for Israel.

ISRAEL AND ITS NEIGHBORS

"Behold, days are coming" it is a declaration of *Adonai*— "when I will raise up for David a righteous Branch, and He will reign as king wisely, and execute justice and righteousness in the land. In His days Judah will be saved, and Israel will dwell in safety; and this is His Name by which He will be called: *Adonai* our righteousness. "Therefore behold, days are coming," says *Adonai*, "when they will no longer say: 'As *Adonai* lives, who brought up the children of Israel out of the land of Egypt.' Rather, 'As *Adonai* lives, who brought up and led the offspring of the house of Israel out of the north country and from all the lands where He had banished them.' So they will dwell in their own soil." (Jeremiah 23:5-8)

PRAYERS FOR MINISTRIES WE SUPPORT

Please pray for the **Belarus ministry** which serves a very poor, elderly Jewish population. One of the elderly women they serve, Anya, passed away a couple weeks ago from a heart attack and this has been difficult. This ministry is very close to those they serve, they are like family to them. Then last week Yulia's leg was amputated. Please pray for her.

- Pray also for Eleanor—she's still in the hospital, and her condition has worsened. She keeps asking the doctors to help her end her life.
- Everyone else is still holding up according to their age, BUT, Tanya, who is the hands-on servant for this ministry, has been diagnosed with thyroid cancer. On top of that, she is having a lot of stomach issues and is having tests done to see what is going on. Please pray for her!

Prayer for the **Improbable People Ministry**:

- Below are snippets from an email Sally Klein O'Connor sent out about the A Tour of Roses project set for March next year, to Frankfurt, Germany. She says the following:

As it stands right at this moment, I seem to be the only person on the team for Frankfurt. I don't know that I have ever been in this situation before for A Tour of Roses, so close to the deadline. And yet, I feel a measure of peace. I hope you will all pray for the L-rd's will for this project. I want you all to understand this is not about campaigning for people to be on the team. I believe it is so important to hear/feel/know the L-rd is specifically calling/sending you. IF He is calling/sending, HE will provide and make a way. He is the only One who can, as He has done so faithfully for every other project. May the L-rd continue to bless each of you for being willing to join in prayer with me for this project!!

-Sally
