

## ACTIVE PARISHIONER PLEDGE

I understand that as a Catholic it is my responsibility to support the Parish community to the fullest with my **time, talent and treasure**. It is also my responsibility to see that my child’s spiritual life is fulfilled and enriched through attendance at weekend Catholic Mass as well as being involved in the Parish community.

I am applying for the **Active Parishioner Scholarship** by requesting that my child(ren) be enrolled at St. Patrick of Heatherdowns School and our family be recognized as an Active Parish Family. As an Active Parishioner, I/we agree to the following:

1. Be a registered Catholic parishioner.
  
2. To pay the expected tuition and fees as outlined during enrollment.
  - ♣ I am aware that the tuition fee will be less than the actual cost of educating my student(s) and that the parish subsidizes our tuition with monies provided by Sunday contributions of parish families.
  
3. Attend weekend Catholic Mass.
  - ♣ Mass attendance is monitored through your weekly offering envelopes.
    - ❖ A minimum of 36 weeks in attendance must be completed.
    - ❖ Regardless of monetary inclusion, envelopes must be placed in the collection basket during Mass (although monetary support is appreciated to help support the parish-school).
  
4. Be involved in Parish community life.

The Active Parishioner Scholarship is based on Mass attendance and service to the parish and/or school. If you do not receive Sunday offering envelopes, contact the Parish Office. If you get to church and you have forgotten your offering envelope, a few are located under the bulletin board in the Narthex and in the bookrack. You may also put a plain envelope with your name on it and place it in the collection basket during Mass. Should you attend a different parish in our Deanery, your offering envelope will be sent to St. Patrick of Heatherdowns. Enclosed is a Mass schedule for our Deanery Parishes for your convenience.

Any family who does not fulfill the above obligations will no longer be recognized as an **Active Parishioner** and will be responsible for the full tuition rate. This will be reviewed quarterly and status will be changed to the non-parishioner rate and the fee will be billed and due upon receipt.

If for some reason either my family or I become unable to support the Church with our **time, talent or treasure**, I will notify the Pastor.
