Gracious God, You have called us together as the Body of Christ. Through Your Holy Spirit, shape us into a healthy and faithful church. Deepen our devotion to Your Word, strengthen our fellowship with one another, and draw us closer to You in worship and prayer. Open our hearts to generous living and make us bold witnesses to Your love in our community. Help us not merely to attend church, but to become the people You have called us to be. As Jesus continues to build His Church, may our life together reflect His grace, truth, and compassion. We ask this in the name of Jesus Christ our Lord. Amen.
