

ASHLEY CARLSON
Pastor of Student Ministries

Education Background

- BA in Youth Ministry, Trinity International University

Family

My husband's name is Brian and I am so thankful to have a loving husband who enjoys working with students as much as I do! We have been married since March 2007 and have three children – Reagan, Ean, and Seth.

Hobbies and Interests

I enjoy watching movies, shopping, baking, playing games, and spending time with friends.

What do you love about being on staff at First Baptist?

I feel like I am in the perfect role for who God made me to be, and it gives me so much joy to use my gifts at this church. I really love working with the rest of the staff and the many volunteers in youth ministry. We have so much fun serving God together!

Ministry Passion

My greatest passion and desire is to see middle and high school students following Jesus Christ in their everyday lives. I love when a student learns something new about God or puts their faith in Jesus Christ for the first time. I also love when students get excited about God's Word and learn to apply the truths of the Bible to their lives.
