### **What do you love about being on staff at First Baptist?**

I love being on staff alongside such willing servants and wise leadership. On top of that, I also find joy in knowing that this is where God has prepared me to serve.

### **Ministry Passion**

I have a passion for seeing children grow in their love and understanding of Christ. It is a special treat to be able to share the good news with a child for the very first time! One of my greatest desires is to connect families together – it brings me great joy to see parents and their children experiencing God together through worship and study.
