Dear Parent,

At First Baptist Preschool, our number one priority is the safety and security of our students and staff. It is also our desire to keep our families informed about possible security issues.

Recently, it became necessary for a staff person to file a restraining order against a family member. At no time was there ever a threat made to the school, the students, or other staff at the school, and we have no reason to believe that our students are, or have ever been, in danger.

Still, out of an abundance of caution, we have heightened security measures at the church. We are in contact with local law enforcement and have maintained a security presence at the church at drop-off and pick up times. We are reviewing all of our security procedures and making changes as necessary.

Thank you for entrusting the care of your child with us.
