Adult Education: Creation Days One Through Seven **taught by John Stewart**

Luther believed the Scriptures contained the one necessary guide to truth. In the Lutheran Church, much emphasis is placed on hearing the Word of God. The church teaches that the Bible does not merely contain the Word of God, but every word of it is inspired or "God-breathed." The Holy Spirit is the author of the Bible. Outline Class 1. The class begins on Sundays at 9:00 am. Connect to class [here](#). For a more detailed outline of biblical history and the history of Moses email John Stewart at john.stewart@tomsonreuters.com

The Authenticity Project by Clare Pooley

During the holiday months, let's read something a little lighter, a little uplifting and pretty thought provoking.

The Authenticity Project by Clare Pooley is The story of a solitary green notebook that brings together six strangers and leads to unexpected friendship, and even love .

Julian Jessop, an eccentric, lonely artist and septuagenarian believes that most people aren't really honest with each other. But what if they were?

And so he writes—in a plain, green journal—the truth about his own life and leaves it in his local cafe. It's run by the incredibly tidy and efficient Monica, who furtively adds her own entry and leaves the book in the wine bar across the street. Before long, the others who find the green notebook add the truths about their own deepest selves—and soon find each other In Real Life at Monica's Café.

The Authenticity Project's cast of characters—including Hazard, the charming addict who makes a vow to get sober; Alice, the fabulous mommy Instagrammer whose real life is a lot less perfect than it looks online; and their other new friends—is by turns quirky and funny, heartbreakingly sad and painfully true-to-life. It's a story about being brave and putting your real self forward—and finding out that it's not as scary as it seems. In fact, it looks a lot like happiness.

Angel Tree Thank You!

Thank you to all the Angel Tree Givers. This was a huge success this year in support of our Child Protective kids and Auburn house. The CPS gifts were delivered by the children's workers and the families were so appreciative. The workers were thrilled as the gifts were actually things that the children wanted or needed. We tried to do 2 gifts that the children needed and 2 gifts they wanted and it worked out so great! I appreciate your support. The families that my unit serve are relatives. The children are in foster care in other states and a placed with these relatives here in Texas, most often without any financial help. Our families are often not licensed foster families so are just getting their first glimpse of the crazy world of CPS when these children are removed from their parents. Thanks so much for helping support our efforts to see that these children have a more normal life! Cathie

Cover Girls

January 2021 – We will start our Lutheran World Relief Mission Project all over again! We plan to carry on as we have this summer – there will be the "PICK UP AND DROP OFF" system again. We will have quilt kits at the Cover Girls Drop Off for anyone who would like to do some sewing at home. Just stop by, pick them up or contact me and I can meet you at church to give you some sewing items! You can then drop the tops off and two or three of us will be putting backs/batting/tops together (what we can't do at home) and send them back out to "sew & turn"; then they will be ready for tying!!! There is such a great need for these quilts, we are fortunate to have the materials and woman/man power to accomplish this Mission.

If you have not yet joined the Cover Girls Sewing Group and enjoy sewing, please consider seeing what we are all about – a group of dedicated women (and one GREAT guy who ties for us) working together to do "God's Work, Our Hands".
