Christian Education

Adult Education Class entitled Faith and Science taught by David Pruessner will be offered **October 26 and November 2, 9, 16**. The class will explore Richard Dawkins book, The God Delusion, but also address much more. Reading the book is not a requirement. Come to Room 1 and join in the discussion. Faith and Science. Does modern science contradict our faith in God, or compliment it? Science and Christianity have sometimes clashed. Modern cosmologists now largely agree that we live in a "finely tuned universe." Many factors seem to have been crafted "just right" for life to form on Earth. But, what does that mean? Come explore your faith through new lenses.

Trunk or Treat

Join us **today** 12:30-2:00 for Trunk or Treat, combined with games, crafts, hot dogs, chips, and a free book fair, has become a tradition in which we invite the community to join us. Your help is crucial to make this event a success. Click [here](#) to sign-up

Women's Book Discussion

Saturday, November 1, 9:00 am Room 1

MEET THE AUTHOR We are in for a special treat as we meet local author, Sarah Damoff, and discuss her debut novel, The Bright Years. The book is available on Amazon, Barnes and Nobel, Bibliobar Book Store in downtown Plano and through the Plano Public Library. Ryan and Lillian Bright are deeply in love, recently married, and now parents to a baby girl, Georgette. But Lillian has a son she hasn't told Ryan about, and Ryan has an alcohol addiction he hasn't told Lillian about, so Georgette comes of age watching their marriage rise and fall. Years later, Lillian's son comes searching for his birth family, so Georgette must return to her roots, unearth her family's history, and decide whether she can open up to love for them—or herself—while there's still time. Told from three intimate points of view, All are welcome to join us! 9:00 am treats/coffee and social time, followed by the discussion at 9:30 am.

All Saints Sunday

On All Saints' Sunday, **November 2**, we remember and celebrate the lives of those near to us who have died this past year. If you have a loved one who has died in the past year and you would like to have that person remembered in worship, please send an email to Jan Frum at jlftrum@verizon.net with the name and your relationship to that person. If you'd like to include a picture, we will show those on the screens during the reading of the names. Pictures are optional, not required. Please send your information to Jan by **October 29**

Help with Sunday Morning Social Services

After worship, all are invited to the kitchen hallway to grab some treats before heading off to classes or meetings, or you can just hang out and shoot the breeze. But this tradition relies upon Brew Crew volunteers who are willing to host the morning's event. Individuals, families, ministry groups, or buddies can sign up to handle duties that include setting up, cleaning up, making coffee, and supplying treats. Training available, reimbursement available, plenty of dates available – [sign up here](#) or on the sheet found on the kitchen counter.

Rise Above 50%

America Recycles Day is **November 15**, so this is a good time to share recycling statistics on our favorite material – aluminum! Did you know that less than half of all aluminum beverage containers are recycled? Over 60 billion cans are landfilled or littered. What?! That behavior is not acceptable here at RLC! The Aluminati encourages you to bring your aluminum can collections to the west doors next weekend. The cash we receive for your cans is put in the AOF fund to help pay for surprise maintenance projects. Other precious metals accepted, too – just talk to Mark "Metal Man" Waterman about your donation.
