Women's Book Discussion

Saturday, February 28, 9:00 am

Fourteen women enjoyed the Meadows Museum tour on January 10th relating to our last book, Attribution. Our next Women's Book discussion will be held on Saturday, February 28th at 9:00. The selection is Go As A River by Shelley Reed. Here's a summary. Seventeen-year-old Victoria Nash runs the household on her family's peach farm in the small ranch town of Iola, Colorado--the sole surviving female in a family of troubled men. Wilson Moon is a young drifter with a mysterious past, displaced from his tribal land and determined to live as he chooses. Inspired by true events surrounding the destruction of the town of Iola in the 1960s, Go as a River is a story of deeply held love in the face of hardship and loss, but also of finding courage, resilience, friendship, and, finally, home--where least expected. This stunning debut explores what it means to lead your life as if it were a river--gathering and flowing, finding a way forward even when a river is dammed. All women are welcome!

We're Not Going for the Gold

Who needs gold, silver, or bronze? The metal that counts for us is aluminum! Our monthly aluminum can collection is this weekend - drop off your bags of aluminum cans by the west doors before worship on Sunday. If you happen to have some valuable scrap metal laying around, notify "Metal Man" Mark Waterman. The money we raise from aluminum and scrap metal recycling is added to the AOF fund for unexpected expenses.
