Give Blood on Sunday ♥

Why is the blood cell always studying? To get an A+ on the blood test! But we need all letter grades to donate a pint on Sunday, April 7, 9am-1pm. Reserve your time in advance or just jump on the bus when you are ready. This event is open to the public. To prepare for April showers, the donor appreciation gift is a nifty umbrella!

"April showers bring May flowers" means that after long periods of adversity, good times will follow. We are looking for the good times and everyone is welcome. Mindfulness to Promote Deeper Connection and Joy

Stephen Ministry program, **rescheduled for May 6**, at 7:00 p.m

Members invited. Managing day-to-day responsibilities and caring for others can leave us feeling like we're on autopilot. We may jump from one task to another, with our minds caught up in something completely off-topic. As a result, we can miss out on the profound connection and joy that's available to us in the present moment.

This 60-minute session is accessible to anyone, from those new to mindfulness to experienced meditators.
