Record your video—on your phone is fine—being aware of the background (though you can be creative). Send it to Pastor Bill in a Zoom recorded mp4 file, or through **a link** from Google Photos, or One Drive, or take it to church on a thumb drive, or another path you know works. Please do not reduce the size or zip it. Quality is not good that way.

Please get it to Pastor by Wednesday afternoon, so he can incorporate it.

**Readers**, please announce your reading as you would in worship: The first reading is from “ Acts” or the second reading is from “First Peter”. Remember to say “here ends the reading”, or I like the suggested “ Word of God, Word of Life”.

Those who **read prayers**, please also speak the response to” Lord, in your mercy, *“hear our prayer.”* And also add the final petition that Pastor usually reads. Then he can speak the peace. Your video needs to be in Pastor’s hands by Wednesday afternoon. Suggested prayers are on RLC website under worship/worship documents. s
