### HOW TO USE THIS PLAN

The **left column** is the date the reading is to be completed. If you haven't started the plan yet, simply start any day, and at the end of the plan you can read the books you missed. You can find all the previous monthly readings on our website under the resources category.

The **center column** is the reading for that day. Notice that there is one reading in either the Old or New Testament and one in either the Psalms or the Proverbs.

The **right column** is for the supplemental reading (not required for this plan, but a good help to understand the Bible better). The readings are from the book, How to Read the Bible Book by Book by Gordon Fee and Douglas Stuart. Copies are available at the Emmanuel Welcome Center, or online at any book retailer. The numbers listed are the page numbers with the corresponding Bible passages read for that day.

### OVERVIEW

The following reading plan, prepared by Stephen Witmer, and presented by the Gospel Coalition, is designed to take you through the Old and New Testaments in two years, and through the Psalms and Proverbs four times during that period. This plan is based on the book How to Read the Bible Book by Book by Gordon Fee and Douglas Stuart. Both the 2002 and the 2014 edition have the same page numbers and can be followed in the third column of the book mark to the left. You will benefit the most from this reading plan if you use it together with the Fee/Stuart book.
