

## 2018 – 2019 CDP Electives

**Gospel**, 8 week study (August 8 – September 26) Led by Tim Lyautey

Are you trying to be more patient? More generous? More...religious? It's time to learn to simply abide in Jesus. J. D. Greear says when you are captivated by the love of Christ, the natural results are patience, generosity, kindness, self-control, selflessness, and much more.

**God of Creation (Ladies Bible Study)**, 10 week study (August 8 – October 10) Led by Shawnda Hensiek

Revisit familiar stories and historical figures from the book of Genesis, challenge your basic knowledge, and discover deeper meanings in the text. As God reveals Himself through Scripture, we can only begin to understand ourselves when we first glimpse the character, attributes, and promises of our Creator.

**God Owns It All**, 6 week study (October 3 – November 14) Led by James Cartwright

With over four decades of experience in the financial-services industry, Ron Blue presents financial principles that are affirmed by Scripture and tested by the marketplace. These biblically based principles will equip us to approach money management and financial planning with freedom, generosity, contentment, and confidence.

**Detours: Lessons From Joseph**, 6 week study (January 9 - February 13) Led by Tim Hancock

Granted, detours are anything but convenient. They take you out of the way. They are longer than you had originally planned to travel. But they are necessary. Tony Evans teaches that God is more interested in your development than in your arrival. He cares more about your character than your comfort.

**Christ Centered Parenting**, 6 week study (January 9 - February 13) Led by Tim Lyautey

Russel Moore and Phillip Bethancourt seek to equip parents to be conversant on topics such as pornography, identity, homosexuality, abortion, technology, and more from a gospel perspective.

**When God**, 2 week study (February 20 – February 27), Led by Cyndi Cox

Andy Stanley studies men from the New Testament who teach us what to do when God is inattentive, uncooperative or late.

**TBA (Ladies Bible Study)** 6 week study (February 20 – March 27), Led by Shawnda Hensiek

**Anxious For Nothing**, 5 week study (March 6 – April 3) Led by Byron Locklear

Want to learn how to stop letting anxiety rule your day and how to find true calm in a chaotic world? Max Lucado explores Philippians 4 and shows that while anxiety is a part of life, it doesn't have to dominate life.

**Pray Like This**, 6 week study (April 10 – May 15) Led by \_\_\_\_\_

This study outlines the Model Prayer Jesus gave His disciples and shows us how to pray with an understanding of who God is and what He desires for our lives. Impactful, inspiring video sessions include interviews with proven leaders who will help us grow in our desire to engage in conversation with God.

**The Power of God's Names**, 6 week study (April 10 – May 15) Led by David Hurst

In biblical times, names communicated a person's essence—their history, nature, or character. That's why God revealed Himself by dozens of different names in Scripture. No single name could convey the fullness of His character and works. Tony Evans leads us to learn the meanings of God's names and to know him more fully.

**Free**, 4 week study (May 22 – June 19) Led by Kirk Rutland

What do you do when you just can't seem to do what you know you ought to do? Andy Stanley walks us through some of the most complex, life-changing verses in Romans 6 & 7.

**Destinations**, 4 week study (July 10 – July 31) Led by Daniel Gregory

Andy Stanley examines the disconnect between our dreams and the paths we take to reach them. Our direction, not our intentions, determines our destinations.
