

Sing a Song

Sing this song to the tune of *The Farmer In The Dell*

God made the world.

God made the world.

We thank Him for creating it.

God made the world.

Let the child name something that God made and substitute what they named for the word *world* in the song. For example, if the child says God made dogs, sing:

God made dogs.

God made dogs.

We thank Him for creating them.

God made dogs.
