## Message from our Director of Missions

### Upcoming Events

ZOOM  
conference -  
May 2, 8pm

My Dear Fellow Servants of Christ, Easter has come and gone for another year. Perhaps you enjoyed a long weekend, an extra day or two off work oh, awesome services at your church and probably just a few too many Easter eggs.

But now what? Are you already looking ahead to Mother's Day, a birthday or perhaps even Christmas?

What if we celebrated Easter everyday?

The events of Easter are much more impacting than the three days around the death and resurrection of Jesus. In fact, because of those events we can declare that every day is like Easter.

Everyday Christ is risen. Every day we have been set free. Every day we are loved so passionately that He would die for us. Everyday we should be celebrating Jesus. Such attitude would encouraged us to pursue our unfinished ministry. Jesus was not finished on the cross but He accomplished the salvation plan with the proclamation, "It is finished. "

Therefore, let us work together to pray and support our new church planters.

Let us pray for Pastor Issa Alnazal who recently started the Arabic Community Christian Church of Valencia. This new church plant, under sponsorship of Valencia Hills Community Church, seeks to bring the gospel of Jesus Christ to those in the Santa Clarita Valley who speak Arabic as their primary language.

Restoration Church of the Beverly Hills is another new church plant

started by Randy Nessly. Let us pray earnestly for Randy who faces that challenge to reach out the Jewish community in the area. Please watch the video in which Randy shares his plan to meet the challenge.

Besides, we are in the process to support at least two new Hispanic works. I will have more details to share with you later. I am sending you the links of two video clips of the monthly meeting of the Sharing/Learning Group:

The next Zoom video conference meeting will be at 8 pm on Tuesday May 2nd. Please contact me if you plan to join in. I will text the pass code to enter the conference.

Finally, here is the link to the video of Pastor Julius Harper who shares how he grows a church through evangelistic effort:

I hope that as iron sharpens iron, the learning sessions from the whole group or individual spiritual leaders would be beneficial for all of us.

Your servant of Christ,  
T. A Nguyen
