ADULT DISCIPLESHIP...ENCOURAGING A "JOURNEY OF SPIRITUAL GROWTH AND MATURITY"

IN ADULT DISCIPLESHIP, we believe that our journey should be one of **continuous growth**. But, while we are always growing in one direction or another, the question is,

"Where and how are we growing?"

In our *spiritual* growth, we want to move beyond mere *information about God*, to *transformation* of our very lives *by God!*

How does this happen?

We grow through *interactions with others in ordinary life*, and through *attention to spiritual practices* such as prayer, the study of scripture, simplicity, solitude, confession, worship, hospitality, and service. These strengthen and enliven our relationship with God and others.

Does my spiritual growth happen by itself or do I need to do something?

By being intentional and attentive to our spiritual lives, we get to know and *love God* more deeply. We learn to *love others* by courageously embracing emotional and spiritual health for ourselves, and then we're able to reach out to others in healthy and meaningful relationships. And as we learn to *love like Jesus loved*, we will connect more deeply with others and serve one another in significant and life-giving ways.

How are we helping make this happen at BCC?

We offer a range of electives, events, and activities which are geared towards giving us opportunities to *deepen our understanding* of what it means to follow Christ; *tools for strengthening our emotional and spiritual lives*; *activities and groups* which will help us *deepen our relationships* with others, and *serve the wider community*.

LET ME SEE YOUR GLORY: The Attributes of God - A.W. Tozer wrote, "What comes into our minds when **we think about God is the most important thing about us.**" The doctrine of God, who He is, and how we relate to him, is critical and worthy of regular discussion, contemplation, and prayer. What we know to be true of God will touch and drive every part of our spiritual life. There is no knowledge beyond God and truly, no greater task worth pursuing. We must know God rightly if we are to know Him at all. I hope you can join us.

We offer a Faith-based program called GriefShare where grieving people can come together to talk, listen, or simply be with others in the same situation. Each week there will be short video presentations on various aspects of grieving followed by the opportunity to talk and share experiences and thoughts. FREE OF ME: WHY LIFE IS BETTER WHEN IT'S NOT ABOUT YOU, begins February 20, 7:00 – 8:30 pm, WOMEN only. Book by Sharon Hodde Miller. We live in a culture that's all about self, becoming the best "me" I can be instead of becoming like Jesus. This me-centered message affects every area of our lives - our friendships, our marriages, even our faith--and it breaks each one in different ways. The self-focused life robs our joy, shrinks our souls, and is the reason we never quite break free of insecurity. The author invites us into a bigger, Jesus-centered vision--one that restores our freedom and inspires us to live for more than "me".

So “come as you are” and join us on this adventure together called life! Our childcare program (for pre-schoolers only) provides a safe and nurturing environment for the kids. Join us!

With any designated funds for Missions, we primarily support the Great Commission Fund (GCF) of our denomination, the Christian & Missionary Alliance, and also several missionaries who are not from the C&MA, yet have a connection with our church. Once or twice a year we host overseas workers to share their ministry in depth with us. BEDFORD HILLS WOMEN'S CORRECTIONAL FACILITY is a maximum security women's prison in Bedford Hills. We reach out in several ways:

- During the year, we **provide lunches** for the children who come to visit their Moms at the prison on weekends. We will inform you of dates as they arise.
- **Host families** are needed during the summer months to house a child or two who come to be with their Mom for a week. This is a time that the children look forward to with great joy and anticipation. They stay with a host family during the evening and overnight and then are returned to the prison to be with their Mom during the day.
- Several times throughout the year, we will ask for donations of **clothes or toys** for various projects at the prison.
- **Prison Partners** - It is healing for a woman in prison to have a relationship that is caring, honest, and trustworthy. Most of the incarcerated women have had very few, if any, of these. We encourage our women to commit to monthly visits with women in the Bedford Hills Correctional Facility. These women are our neighbors, yet many of them have little to no outside contact. We want to provide them with much-needed emotional support, encouragement and friendship; and to stretch our own capacity for empathy and understanding by developing a relationship of mutual respect and caring with someone whose history and circumstances is quite possibly very different from our own. If you are interested in this ministry, **Contact:** Office@BedfordCommunityChurch.org

GROWTH GROUPS

What is a Growth Group and what is the purpose?

It is a group of people (usually of similar age or life experience or interest) who meet together on a regular basis; usually every other week, to connect in meaningful relationships, to experience and model authentic community, to study the Bible or a great book, fellowship, be accountable, pray, and serve together. (And did we mention eat, laugh, and enjoy each other?)

Why join a Growth Group?

- ✓ A growth group provides a natural and easy context in which to grow in your faith alongside other Christians.
- ✓ You will pray for others and be prayed for.
- ✓ You will develop deeper friendships.
- ✓ You will be supported in times of crisis and change, or difficulty.

Our growth groups take many forms in order to meet the varied needs, time constraints, geographical areas, family needs, etc. within our congregation. New groups are created as leaders emerge and needs are identified.

Not quite convinced?

If you're not quite convinced about why you would need something besides the Sunday services, read on!

- ✓ You will have the encouragement and insights of others.
- ✓ You will be a part of something bigger than just yourself.
- ✓ You can share on a whole different level...health concerns, kid issues, marriage concerns, job concerns, and have others support and pray for you. You won't be alone in your walk with Jesus.
- ✓ You will be able to make a difference in someone else's life!

Being part of a small group gives us a chance to be part of a community of people who know us, and love us anyway!!

OK, I'll try it out. How can I join a growth group?

If you are interested in **joining** or even possibly **leading** a growth group, sign up on the sign-up table at BCC, or email Pastor Joel Smith. He will contact you.

Pastor Joel Smith, Joel@bedfordcommunitychurch.org

This sounds a lot like God's family...

"Life in a family - life in *any* community - is both our sorest test and our sweetest joy.

Life together stretches us, pulls us, and strains us; but in it we are nourished by the struggle itself. It is the best chance God gives us to grow out of ourselves and into something more like what we're meant to be.

Life together is a welcome tether that kindly but relentlessly binds our ravenous egos.

Life together is where most people get their only chance to be heros - local heros, yes - but giants of spirit nonetheless:

courageous and well-tempered souls who return again and again to brave the rigors and savor the delicacies of loving the same people for a long time."

(Michael Lindwall, *Good News from Northaven*)

And here's more...

Jesus said,
"Love one another in the same way I have loved you. By this will all people know you are My disciples."
