

The Story: The End of Time

“Shadowland Worship”

Pastor Joel A. Smith

THE STORY

Apocalyptic means:
“shadows of things to
come.”

THE STORY

The book of Revelation helps us peer through the shadows and see:

1. The greater story being written involves:
 - The present and the timeless
 - Visible and invisible realities
 - Satan verses God
2. God will break into the brokenness and bring a final reckoning of all things
3. When God breaks through he will make all things new, just as they were in the beginning

Revelation encourages us to hold fast through the shadowlands:

1. In the end all things will become clear but for now we live in the shadowlands, toggling between our present, visible reality and God's eternal and for the most part invisible reality
2. The human soul is strengthened in the shadowlands through worship of the one who brings God's light into the shadows—Jesus Christ.

Those whom I love I rebuke and discipline. So be earnest and repent. Here I am! I stand at the door and knock. If anyone hears my voice and **opens the door**, I will come in and eat with that person, and they with me.

Revelation 3:19-20 (NIV)
